ABOUT THEA...

Thea : Thea is a pharmaceutical marketplace for dermatology products. Thea is the division of Janus Biotech, supplies medicines concerned with skin, nails, hair, and all diseases that affect them.

These products have become increasingly popular in recent years as people become more aware of the importance of caring for their skin and hair.

The **Thea** company sells ointments, creams, gels, lotions, shampoos, soaps, face washes, dusting powders, tablets, capsules, and other derma medicines and products of the highest quality. Under the supervision of ISO, GMP and GLP units, all products are manufactured to meet all quality standards. Their highly qualified team members oversee every treatment and product they produce

Some of Thea Company's highlights:

GMP and GLP norms were used as guidance.

On-time delivery of all derma medications.

High-tech manufacturing units are used to create items.

The entire production process takes place in an excise-free zone.

Thea definition of healthy skin.
